Bill Purcell Mayor

July 1, 2002

Dear Southern Chapter Member:

It is my pleasure to welcome the annual meeting of the Southern Chapter of the Medical Library Association being held on October 17-21, 2002. The City of Nashville has been looking forward to this special event, and we are honored to be the host City.

We are sure you will have a great time, both during your work sessions and during your free time. While you are in town, we hope you will take advantage of all the excitement Nashville has to offer – excellent restaurants, great shopping, and, of course, the wealth of music and other entertainment that has helped make our city a national treasure. You'll have the chance to be among our first visitors to experience our newest landmarks, the Frist Center for the Visual Arts, the new Country Music Hall of Fame, and our new Main Public Library. Make sure to pay a visit to the Parthenon, one of our most beloved icons, newly refurbished and looking better than ever.

You have my every good wish for a productive, enjoyable stay in Music City, the sort of experience that will make you want to come back again and again. Thank you for visiting Nashville.

Sincerely,

Bill Purcell
Mayor
