BLUE arrows show traffic flow.
ORANGE squares indicate signage.
STAR is where testing will be done.

NOTE:
VU & VUMC vehicles only can be tested.

Testing will normally be done Monday mornings from 9:00 AM to Noon.

Exceptions will be when a holiday falls on Monday, or when severe weather is expected—no testing will be done then.

Opus coupons are the only valid way to pay for testing at this location.

Testing will be at the back of Lot 75-A, off Children’s Way, just west of Natchez Trace.
