Elevate TOWN HALLS

OCTOBER 2015

VANDERBILT UNIVERSITY
MEDICAL CENTER
Welcome,
And thank you for your interest in joining the Vanderbilt Insights community. Your opinion on many different aspects of health care will be shared with Vanderbilt leadership and used to help guide the development of new services and improve the experience of every patient. Please continue to check-in regularly with us as there are lots of helpful tips, survey results from the community and news on the way!

What this transition means for VUMC...

- **More frequent** decisions by a smaller board

- **Better financing** that enables us to better invest in people, resources, and growth.

- **The same** education and research led by a world-class Vanderbilt faculty.
