34th Annual Vanderbilt OTOLARYNGOLOGY SYMPOSIUM
George A. Sisson International Workshop
Otology, Laryngology, Sinus, Facial Plastics and Head & Neck Surgery

February 5-10, 2012
The Lodge at Vail
Vail, Colorado

www.vanderbilthealth.com/sisson2012
SUNDAY, FEBRUARY 5, 2012
6:30 a.m. – 7:00 a.m. Registration and Breakfast
7:00 a.m. – 9:00 a.m. Controversies in Salivary Gland Disease
2:00 p.m. – 2:30 p.m. Afternoon Break and Snacks
2:30 p.m. – 3:30 p.m.* Management of Chronic Ear Disease
3:30 p.m. – 4:30 p.m.* Pediatric ENT

MONDAY, FEBRUARY 6, 2012
6:30 a.m. – 7:00 a.m. Registration and Breakfast
7:00 a.m. – 8:00 a.m. Current Management of Facial Paralysis
8:00 a.m. – 9:00 a.m. Issues in Office-based Otology Procedures
4:00 p.m. – 4:30 p.m. Afternoon Break and Snacks
4:30 p.m. – 5:30 p.m. Treatment Options and Controversies in Oral Cavity Cancer

TUESDAY, FEBRUARY 7, 2012
6:30 a.m. – 7:00 a.m. Registration and Breakfast
7:00 a.m. – 8:00 a.m. Current Concepts in Implantable Devices for Hearing Loss
8:00 a.m. – 9:00 a.m. Issues in Treating Sudden Sensorineural Hearing Loss and Autoimmune Hearing Loss
4:00 p.m. – 4:30 p.m. Afternoon Break and Snacks
4:30 p.m. – 5:30 p.m. Global Health Medical Mission
5:30 p.m. – 6:30 p.m. Alternative Treatment Options for Small to Medium Facial Defects

WEDNESDAY, FEBRUARY 8, 2012
6:30 a.m. – 7:00 a.m. Registration and Breakfast
7:00 a.m. – 9:00 a.m. Snoring and Sleep Apnea: What Keeps Bed Partners Apart?
4:30 p.m. – 5:30 p.m. ESS Failure: Diagnosis & Treatment
5:30 p.m. – 6:30 p.m. ESS Malpractice: Review & Discussion

THURSDAY, FEBRUARY 9, 2012
6:30 a.m. – 7:00 a.m. Registration and Breakfast
7:00 a.m. – 8:00 a.m. Chronic Rhinosinusitis: Treatment Paradigms
8:00 a.m. – 9:00 a.m. Office-based Surgery including Balloon Sinuplasty
4:00 p.m. – 4:30 p.m. Afternoon Break and Snacks
4:30 p.m. – 6:30 p.m. Is GERD the Same as LPR? What All the Fuss Is About

FRIDAY, FEBRUARY 10, 2012
6:30 a.m. – 7:00 a.m. Registration and Breakfast
7:00 a.m. – 8:00 a.m. To Move or Not To Move – Always the Laryngeal Question
8:00 a.m. – 9:00 a.m. Case Discussions in Laryngology: Common Problems with Management Strategies

Schedule subject to change
* Time changed to accommodate Super Bowl.
REGISTRATION
Attendees $600
Vanderbilt Alumni $475
Full Time Residents $375
To register, visit vanderbilthealth.com/sisson2012

COURSE DESCRIPTION
This meeting will employ both case presentation and panel discussion formats. Educational programming will include current concepts of diagnosis and treatment in head and neck medicine. New techniques and technology will be addressed, as well as outcomes of surgical techniques.

Course faculty is comprised of internationally recognized experts in academic otolaryngology. This meeting will provide an environment conducive to free exchange of experience and the sharing of clinical outcomes with the ultimate goal of advancing and improving patient care.

PURPOSE
The purpose of this program is to provide otolaryngologists an opportunity to review and update knowledge in general otolaryngology, laryngology, rhinology, head and neck surgery, facial plastics, and otology.

OBJECTIVES
After participating in this CME activity, participants should be able to describe and discuss:
- Current evidence-based medical and surgical management of patients with common and uncommon disorders of the ears, nose, throat, head and neck
- Emerging protocols, procedures, and techniques being investigated in major teaching centers
- Future developments in the management of otolaryngologic disorders

TARGET AUDIENCE
This program is designed for practicing otolaryngologists and otolaryngology residents and fellows seeking the latest information in head and neck medicine.

MEETING LOCATION
The Vanderbilt Otolaryngology Symposium is held in Vail, Colorado, where participants can take advantage of some of the world’s finest skiing. All components of the meeting will be held at The Lodge at Vail.
LODGING RESERVATIONS
The Vanderbilt Otolaryngology Symposium will be held at The Lodge at Vail. Reservations must be made directly with The Lodge by calling 877-LAV-ROCK. Please be sure to indicate that you are with the Vanderbilt group in order to benefit from group rates. The cut-off date for making reservations is December 17, 2011. You are encouraged to book early as the rooms fill very quickly. Please pay close attention to cancellation and early departure policies as outlined by the hotel.

CME CREDIT DESIGNATION
Vanderbilt School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt School of Medicine designates this live activity for a maximum of 22.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CANCELLATION POLICY AND TRANSFERABILITY OF REGISTRATION
If it is necessary for you to cancel your registration for this course, Vanderbilt will refund your registration fee, less a $75 administrative fee, provided you notify us by January 8, 2012. No refunds will be made after that date. Exceptions will be made for justifiable emergencies. In the event of cancellation or rescheduling of this CME activity due to unforeseen circumstances, Vanderbilt will refund registration fees in full. Vanderbilt is not responsible for non-transferable, non-refundable airline tickets or hotel accommodations purchased in connection with attendance at this CME activity.

LIFT TICKETS
Lift tickets that are pre-purchased in conjunction with this activity are available at discounted rates. In order to benefit from this group rate, pre-purchase is required as discounted rates cannot be honored upon arrival in Vail. Tickets will be available for pick up at the conference registration desk. Please visit www.vanderbilthealth.com/sisson2012 for more information.

GROUND TRANSPORTATION
For shuttle service, please contact the Colorado Mountain Express. Colorado Mountain Express has point-to-point service from either Denver International Airport or Vail/Eagle Airport directly to your hotel. To make reservations, call 800-525-6363 or visit www.cmex.com.

Discounted ground transportation is available by referencing group code Vanderbilt.

VANDERBILT COURSE DIRECTORS

**James A. Duncavage, MD**  
Founding Physician of Vanderbilt Asthma, Sinus and Allergy Program (ASAP)  
Professor & Vice Chair of Otolaryngology

**Roland D. Eavey, MD (Ron)**  
Director, Vanderbilt Bill Wilkerson Center  
Chair, Department of Otolaryngology

**David S. Haynes, MD**  
Director, Division of Otology and Neurotology  
The Otology Group of Vanderbilt  
Professor of Otolaryngology  
Associate Professor of Hearing and Speech Sciences

**James L. Netterville, MD**  
Director, Head and Neck Oncologic Surgery  
Professor of Otolaryngology, Head and Neck Surgery

**Robert H. Ossoff, DMD, MD**  
Assistant Vice-Chancellor for Compliance and Corporate Compliance  
Maness Professor of Laryngology and Voice

**Wm. Russell Ries, MD**  
Professor of Otolaryngology  
Carol and John S. Odess Chair in Facial Plastic and Reconstructive Surgery

INVITED PANELISTS

- Daniel G. Becker, MD, FACS  
  Sewell, NJ
- Samuel S. Becker, MD  
  Sewell, NJ
- Andrew Blitzer, MD, DDS

The Vanderbilt Bill Wilkerson Center for Center for Otolaryngology and Communication Sciences inhabits a $61 million comprehensive, state-of-the-art facility in Nashville, Tennessee. More than 300 full-time professionals serve the world of human communication. The Center educates approximately 160 graduate students, residents and fellows annually in highly competitive training programs. The Departments of Hearing & Speech Sciences and Otolaryngology consistently receive top national rankings; Audiology is ranked #1 by US News and World Report. The Bill Wilkerson research and education enterprise consists of nearly 50 grants totaling nearly $10 million dollars annually. The Center’s efforts are aided by five endowed chairs.

George A. Sisson, MD 1920-2006

Dr. Sisson is recognized as a great leader in the field of otolaryngology. His students are today’s leaders and continue his mission in the training and practice of head and neck surgery.
