GENERAL INFORMATION

The Vanderbilt Department of Hearing and Speech Sciences is approved by the Continuing Education Board of the American Speech-Language-Hearing Association for 1 CEUs (intermediate level; professional area). This course is approved for 1.2 CEUs (intermediate level; professional area).

EDUCATIONAL OBJECTIVES

The goals and objectives of this course are to:

- describe three primary components that are hypothesized to influence the relationships between hearing loss and speech and language outcomes for children who are hard of hearing;
- list necessary considerations when selecting hearing aid technology;
- describe the clinical significance of abnormal findings on the VFT; and
- describe appropriate management strategies for patients with auditory neuropathy/dys-synchrony.

This course is offered for 1.2 CEUs (intermediate level; professional area). AAA CE provider approval does not imply endorsement of course content, specific products, or clinical procedures.

LOCATION AND ACCOMMODATIONS

The course will be held on the Vanderbilt Medical Center campus in Medical Center East Room 8320. Medical Center East is at 1215 21st Ave. S., Nashville, Tennessee 37232. A room block has been reserved at the Fairlawn Inn & Suites Nashville/Downtown - The Gulch, 901 Division Street, Nashville, Tennessee 37203. 615-690-1740.

CANCELLATION POLICY

If you must cancel your registration for this course, Vanderbilt Department of Hearing and Speech Sciences will refund your registration fee, less a $25 administrative fee, provided you notify us by April 23, 2015. No refunds will be made after that date. Exceptions will be made for justifiable emergencies. Registration may be transferred to another person. In the event of cancellation or rescheduling of this course due to unforeseen circumstances, Vanderbilt University will refund registration fees in full. Vanderbilt University is not responsible for non-refundable, non-refundable airline tickets or hotel accommodations purchased in connection with attendance at this activity.

GIVE US FEEDBACK

We value your feedback on this course. Please contact us at 615-936-5793.

AMERICANS WITH DISABILITIES ACT

It is the policy of Vanderbilt Medical Center not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in the ADA in order to fully participate in this continuing education activity, please attach a note to your registration form.
