Target Audience
Primary care physicians, gastroenterologists, general surgeons, medical oncologists, radiation oncologists and surgical oncologists as well as those who assist physicians who manage patients with pancreatic diseases. The course will also be beneficial to residents and fellows in training as well as physician assistants and nurse practitioners who help manage pancreas patients.

Accreditation
Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Sponsorship
Sponsored by Vanderbilt University School of Medicine, Section of Surgical Sciences, Department of Surgery and Department of Medicine, Division of Gastroenterology, Hepatology and Nutrition

Course Director
Nipun Merchant, M.D., Professor of Surgery and Cancer Biology, Vanderbilt University Medical Center

Vanderbilt Faculty
Ronald Arildsen, M.D., Associate Professor of Radiology & Radiological Sciences
Dana Cardin, M.D., MSCI, Assistant Professor of Medicine
Laura Golf, M.D., Assistant Professor of Medicine
Kamran Idrees, M.D., Assistant Professor of Surgery
Elizabeth Lindsey, M.D., Assistant Professor of Surgery
Eric Liu, M.D., Professor of Medicine
William Nealon, M.D., Professor of Surgery
Alexander Parish, M.D., Assistant Professor of Surgery
David Schwartz, M.D., Associate Professor of Medicine
Eric Sumner, M.D., Assistant Professor of Medicine
Patrick Yachimski, M.D., MPH, Assistant Professor of Medicine

Purpose
Diagnose, workup and treat complex benign and malignant diseases of the exocrine and endocrine pancreas following clinical practice guidelines where they exist, findings from recent research studies, and consensus best practice.

Objectives
After participating in this CME activity, participants should be able to describe and discuss:
1. The proper diagnostic workup, indications for intervention and current treatment options for pancreatitis.
2. The current algorithms involving the diagnosis, workup (including staging) and indications and options for surgical treatment of pancreatic cancer.
3. An understanding of the different types of cystic neoplasms of the pancreas and the current modalities available for proper diagnosis and treatment.
4. The understanding of the proper diagnostic techniques and sequences for proper intervention of the pancreatic neuroendocrine tumors.
2014 Multidisciplinary Management of Diseases of the Pancreas Agenda

7:15am – 7:55am Breakfast
7:55am – 8:00am Welcome and Introduction: Nipun Merchant, M.D.
8:00am – 10:00am Pancreatitis
   Moderator: Patrick Yachmiski, M.D.
   8:00-8:15 Diagnosis and endoscopic evaluation of pancreatitis
   David Schwartz, M.D.
   8:20-8:35 Autoimmune pancreatitis
   Elizabeth Lindsey, M.D.
   8:40-8:55 Surgical management of pancreatitis
   William Nealon, M.D.
   9:00-10:00 Case presentations with ARS
   10:00am – 10:15 am Break
10:15am – 12:30pm Pancreatic Cancer
   Moderator: Alexander Parikh, M.D.
   10:15-10:30 Imaging of peripancreatic lesions (CT, MRI)
   Ron-Arildsen, M.D.
   10:35-10:50 EUS in the management of peripancreatic lesions
   Eric Sumner, M.D.
   10:55-11:10 Advances in the surgical management of pancreatic cancer
   Nipun Merchant, M.D.
   11:15-11:30 Adjunctive/Neoadjuvant therapy for pancreatic cancer
   Dana Cardin, M.D.
   11:30-12:30 Case presentations with ARS
12:30pm – 1:30pm Lunch
Cystic neoplasms of the pancreas
   Moderator: Nipun Merchant, M.D.
   1:30-1:45 Diagnosis and evaluation of cystic lesions of the pancreas
   Patrick Yachmiski, M.D.
   1:50-2:05 Surgical approach and outcome: Should IPMN be approached differently?
   Kamran Idrees, M.D.
   2:05-2:45 Case presentations with ARS
3:00pm – 4:45 pm Pancreatic neuroendocrine tumors
   Moderator: Kamran Idrees, M.D.
   3:00-3:15 Imaging of pancreatic neuroendocrine tumors
   Eric Liu, M.D.
   3:20-3:35 Surgical management of primary and metastatic neuroendocrine tumors
   Alexander Parikh, M.D.
   3:40-3:55 Medical management of metastatic neuroendocrine tumors
   Laura Goff, M.D.
   4:00 – 4:45 Case presentations with ARS
4:45pm Closing Remarks

REGISTRATION
2014 Multidisciplinary Management of Diseases of the Pancreas
Registration is $100. Fill out this form or register online or by email.

Online registration: www.PancreasConference.com
Email registration: selina.perkins@vanderbilt.edu
Credit cards taken with online registration

Checks should be made payable to VUMC Division of Surgical Oncology
Mail your check to: Division of Surgical Oncology
