

Research Day

November 13, 2013

Keynote Address: 8:30 am – 9:15 am (no contact hours)

Medical Center
East –
Room 8380B

Using Research to Change Clinical Practice: How Hard Can it Be?
Anne Miller, PhD
Assistant Professor
Vanderbilt University – School of Nursing

Concurrent Breakout Sessions: 9:30 am – 10:45 am (no contact hours)

Medical
Center East -
Room 8323

Evaluation of a Training Module on Nursing Ethics
Joseph Fanning, PhD; Paula DeWitt, PhD

VUH Caregiver's Perspective of an Evidence-based Patient Handling Assessment Tool
Mamie Williams, MPH, MSN, FNP-BC

Acute Pain Management: Testing Guideline Recommendations
**Nancy Wells, DNSc, RN; Fern FitzHenry, PhD, RN; SyLinda Littlejohn, MSN, RN;
Mary Dietrich, PhD**

VCH – Room
Wadlington
A

Medical Play During Burn Wound Care for Children: Does it Make a Difference
Katherine Bennett, MEd, CCLS; Bette Moore, PhD, RN; Nancy Wells, DNSc, RN
Measuring Endoscopic Performance for Colorectal Cancer Prevention Quality Improvement
in a Gastroenterology Practice
Karen Hande, DNP, ANP-BC

Protect Patients and Staff: Go to the Gemba for Hand Hygiene Solutions
Laura Hollis, MSN, RN, CCRN; Susie Leming-Lee, DNP, MSN, RN, CPHQ

Medical
Research
Building IV -
Room 1230
A&B

Advanced Practice Provider Mentoring Pilot Project: End-of-Program Evaluation
Roxelyn Baumgartner, MS, RN, ANP-NC

Student Nurse Perceptions of Structural Empowerment and Critical Thinking Ability
Shelley Moore, PhD, MSN, RN

Quality and Financial Impact of Adding Nurse Practitioners to Inpatient Care Teams
April Kapu, MSN, ACNP-BC

Poster Presentations: 11:00 am – 1:00 pm (no contact hours)

Light Hall North Lobby

Box lunches for first come, first serve

Keynote Address: 1:00 pm – 2:00 pm (no contact hours)

Light Hall 214

The Road From Concept to Practice
Belinda Mandrell, PhD, RN
Director, Division of Nursing Research
St. Jude Children's Research Hospital

Evidence-based Practice
and
Nursing Research
VANDERBILT UNIVERSITY
MEDICAL CENTER

www.VanderbiltNursingEBP.com

Poster Presentations: 11:00 am – 1:00 pm

1. **Utilizing Teach Back for Discharge Instructions** – Kristin Davis, BSN, RN
2. **SICU Stepdown Proactive Nurse Rounds** – Barb Wilson, RN
3. **Interactive Workbook for Autism Spectrum Disorder (ASD) Children in the Acute Psychiatric Setting** – Heather Rattigan, BSN, RN
4. **Teach-back Training through Simulation with Standardized Patients and Online Education Following the ONS Chemotherapy/Biotherapy Course** – Linda Dial, RN, MN, AOCN
5. **Surgical Passport Preparing Families for Pediatric Surgery** – Mary Downey, RN
6. **Decreasing Unplanned Extubations in a Level IV NICU** – Annette Norman, BS, RRT-NPS, C-NPT
7. **Improving House Staff Orientation and Documentation in the Neonatal Intensive Care Unit** – Colleen Reilly, MSN, NNP-BC
8. **Improving Quality and Efficiency of Health Care with Chronic Disease Management** – Tammy Bowers, RN
