Operating Room Guidelines

- Bring no valuables. Lockers are limited.
- Keep strings of pants tucked inside pants.
- Wear your Vanderbilt ID.
- Wear hat that covers all of your hair.
- Wear eye protection
- Wear mask
  - Remove disposables when leaving the OR suite. Cover scrubs with lab coat.
- Jewelry should be kept to minimum. Secure it when scrubbing. Earrings should be covered by cap.
- No artificial fingernails
- Wear comfortable closed toe shoes.
- Eat breakfast; do not drink large amounts of fluids before a case!
- Do not lock your knees! If you get hot, notify OR circulator and step outside the OR to get some air.
- Keep 12 inches away from sterile drapes, or any sterile table.
- Enjoy your visit!
