14TH INTERNATIONAL SYMPOSIUM ON THE AUTONOMIC NERVOUS SYSTEM
Sponsored by the American Autonomic Society

**ONLINE ABSTRACT SUBMISSION IS STRONGLY ENCOURAGED**
To submit an abstract online, please go to [www.americanautonomicsociety.org](http://www.americanautonomicsociety.org) (do not complete this form)

REGISTRATION FORM & FEE MUST ACCOMPANY ABSTRACT TO BE CONSIDERED
Deadline for receipt of abstracts and registration is June 2, 2003.

The American Autonomic Society requires that each presenter disclose whether or not they have any "financial conflicts of interest" that would be affected by the outcome of the study being presented (intellectual property, significant ownership of stock, consultancy with sponsor, etc.). By signing this form, I confirm that I was the principal writer of this abstract and agree to disclose any financial conflicts of interest at the beginning of my presentation or poster.

Signature of Presenting Author: ____________________________________________________________

CALL FOR ABSTRACTS
14th International Symposium on the Autonomic Nervous System
Marriott Frenchman’s Reef Resort
St. Thomas, U.S. Virgin Islands
November 5-8, 2003

**ONLINE ABSTRACT SUBMISSION IS STRONGLY ENCOURAGED**

ABSTRACT SUBMISSION METHODS:
(1) **Online** - Go to [www.americanautonomicsociety.org](http://www.americanautonomicsociety.org) (DO NOT COMPLETE THIS FORM).
(2) **Mail** - Send original abstract, two photocopies, and file of abstract on diskette to: Anita Zeller, American Autonomic Society, 5458 193rd Street W, Farmington, MN 55024, USA. The abstract should be in Word, WordPerfect or ASCII format (one abstract per diskette). Please label the diskette with the presenting author’s name, title of abstract, file name, and program used.

INSTRUCTIONS:
♦ Deadline for receipt of abstract(s) and registration is **June 2, 2003**.
♦ All abstracts **must** be accompanied by completed registration form and fee. **Abstracts received without paid registration will not be considered.**
♦ All abstracts will be published in *Clinical Autonomic Research* unless written notification is received by June 2, 2003.
♦ Figures are discouraged.
♦ Authors need not be members of the American Autonomic Society nor be sponsored by a member. Acceptances will be based solely on quality.
♦ Please spell out abbreviated terms at first use.

**TYPE OF PRESENTATION:**
1. Platform only                             3. Platform preferred
2. Poster only                               4. Poster preferred

**TOPICS:**
A. Aging                                    I. Molecular Biology and Genetics
B. Baroreflex                                J. Orthostatic Hypotension
C. Central Autonomic Nervous System Disorders K. Other
D. Exercise and Integrative Autonomic Physiology L. Pain
E. Experimental Models                        M. Peripheral Autonomic Neuropathies
F. Gastrointestinal/Urogenital                N. Pharmacology and Treatment
G. Hypertension and Other Cardiovascular Disorders O. Spectral Analysis and Modeling
H. Laboratory Evaluation                      P. Syncope/Orthostatic Intolerance

**TRAVEL FELLOWSHIP AWARDS:**
The American Autonomic Society has two travel fellowship awards, one of which is the David Streeten Travel Fellowship Award. The awards are $500 for recipients within North America and $1000 for recipients outside North America, in addition to three nights' accommodation. To be considered for a travel fellowship award, applicant must submit a letter providing information on training status, program director, and year of anticipated completion with the abstract. Applicant **must** be the first author of the work and present at the meeting.
