American Autonomic Society

The American Autonomic Society has been established to bring together individuals from diverse disciplines who share an interest in the structure and function of the autonomic nervous system and in the pathology, treatment, and prevention of its disorders. The Society will sponsor annual meetings and provide a point of contact among the many interested clinical and basic scientists who wish to communicate across disciplinary lines. It is hoped that the Society can provide members with advice and support in identifying and obtaining research support.

Dues for membership are \$160 per **calendar** year. This will entitle you to a subscription to *Clinical Autonomic Research*. In addition, registration fees for the Society's annual meeting will be greatly reduced for members. To join, please fill out the form below and return with payment to:

Ms. Anita Zeller
AAS Executive Secretary
5458 193rd Street W
Farmington, MN 55024
Phone: 651-463-4119
Fax: 651-463-2009
E-mail: zeller.anita@mayo.edu

Please note that the membership list will be available on the AAS web site unless you contact us indicating otherwise
