The Vanderbilt LVES Workshop
STROBOSCOPY WITH INTERPRETATION

SEPTEMBER 9-10, 2011 • NASHVILLE, TN

COURSE DESCRIPTION
The Vanderbilt LVES Workshop is designated as a tutorial for Speech-Language Pathologists and Laryngologists to cultivate their understanding of the laryngeal videoendostroboscopy (LVES) exam and skills. Consideration will be given to therapy implications of the stroboscopic evaluation.

EDUCATIONAL OBJECTIVES
After participating in this CE activity, participants should be able to:
• Demonstrate the technique of performing LVES
• List the components of a comprehensive LVES exam
• Demonstrate emerging hands-on skill with rigid and flexible endoscopy
• Describe the interpretation of an LVES exam and subsequent management recommendations

FACULTY DISCLOSURES
It is the policy of Vanderbilt University School of Medicine that the information presented at Vanderbilt CE activities will be unbiased and based on scientific evidence. To help participants make judgments about the presence of bias, disclosure of financial relationships of speakers and Vanderbilt with commercial entities that produce or market products or services related to the content of the CE activity, if any, will be made known to the audience at the beginning of the course. In addition, off-label uses will be identified when mentioned.
