ATTENTION!

"TOWN HALL" MEETING

Thursday, May 12th
4:30-6:00 PM - AA-2205B MCN

Here's What You'll Find Out

- What the CFAR can do for you
- How the CFAR links clinical care at the CCC and Meharry to research
- "What's hot" in HIV research
- Recent CFAR Accomplishments
- How we are mentoring young faculty, students and fellows

Wait, there’s more!

- Shake hands with Sten Vermund and hear about the new Vanderbilt Institute for Global Health
- Tell the CFAR what we can do for YOU!
- Friendly conversation with colleagues – you might just find a new golf partner or the perfect collaborator for that project you’ve been thinking about!

I'm going for the great food and libations!
