Biomedical, Genetic and Pharmacogenetics Database Searching and Use of Productivity Tools

Sponsored by
Vanderbilt University School of Medicine Knowledge Management/Eskind Biomedical Library
As Scheduled

Objectives

After participating in this CME activity, participants should be able to describe and discuss:

- Appropriate resources to find biomedical and genomic information
- Biomedical, genetic, pharmacogenetic databases and resources with a clear understanding of their idiosyncrasies. As a result, their searches will be comprehensive and well-targeted.
- Productivity tools such as EndNote, Zotero, and Notability

Faculty Disclosure

It is the policy of the ACCME and Vanderbilt University School of Medicine to require disclosure of financial relationships from individuals in a position to control the content of a CME activity; to identify and resolve conflicts of interest related to those relationships; and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.

All course directors, planners, and speakers indicated no financial relationships to disclose.

Vanderbilt CME has determined that there is no conflict of interest.

Accreditation

4/08/2015
Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**Designation of Credit**

Vanderbilt University School of Medicine designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

a. To obtain credit for your participation in today’s activity, complete the Vanderbilt CME Documentation of Attendance form.
b. Place the completed form on the registration desk as you leave today.
c. You will receive email notification of online credit availability 1-2 weeks after data is submitted to Vanderbilt CME.
d. You may access your record of participation at anytime by visiting the Division of CME web-site at [www.cme.vanderbilt.edu](http://www.cme.vanderbilt.edu) and following the instructions to obtain a transcript.

**Commercial Support**

This educational activity received no commercial support.
