ABOUT OUR PRESENTER

Michael D. Gooch, MSN, RN, ACNP-BC, FNP-BC, ENP-BC, CFRN, CTRN, CEN, NREMT-P
Michael brings over 18 years of nursing and EMS experience. He has worked in a variety of clinical settings that range from emergency nursing and primary care to a Level I Trauma Center and includes ground and air medical transport. Michael received his MSN from Vanderbilt University where he focused on emergency and trauma care as an Acute Care Nurse Practitioner and also completed his Post-Master’s Family Nurse Practitioner at Vanderbilt. He has presented on numerous topics across North America and serves as an instructor for many certifications courses. Michael has completed over 1,300 patient transports during his tenure with Vanderbilt University Medical Center’s LifeFlight. He practices as an Emergency Nurse Practitioner with TeamHealth at Maury Regional Medical Center in Columbia, Tennessee. He is also faculty with Vanderbilt University’s School of Nursing’s Acute Care and Emergency Nurse Practitioner programs. As a past member of TN-1 DMAT (Disaster Medical Assistance Team), a part of the National Disaster Medical Systems, Michael has been involved in disaster relief efforts on several levels including Hurricanes Katrina and Rita.

CLASS DESCRIPTION

This certification review course is designed to be review for the Certified Emergency Nurse (CEN), the Certified Flight Nurse (CFRN) and the Certified Transport Nurse (CTRN) exam. This 3 day course covers the important elements to prepare someone for the Critical Care Paramedic (CC-P) and Flight Paramedic (FP-C) Exams also. The content is based on core concepts outlined on each of the test blueprints. Participants will gain knowledge on the test structure, content and study plan at completion of this course.

♦ Participants reviewing for the CEN exam should attend days 1 and 2.
♦ Participants reviewing for the CFRN and CTRN exam will should attend ALL 3 days.
♦ Participants reviewing for the CC-P and the FP-C exam should attend ALL 3 days.
♦ (Participants wanting the material that is different between the CEN and the CFRN/CTRN should attend day 3.)
