Resident Evaluation of Program

Evaluator:  Subject:
Rotation:  Program:

Please check the quality indicator button for each assessed item. Provide your honest evaluation of the program. Comments are encouraged, enter comments in the box provided at the end of the evaluation.

PATIENT CARE
1) The program prepares me well to provide appropriate, effective, and compassionate clinical care, and provides the environment leading to practice the specialty of cardiothoracic surgery safely, and without direct supervision.

Do not agree  Somewhat agree  Agree  Strongly agree

MEDICAL KNOWLEDGE
2) The program improves my knowledge about established and evolving biomedical, clinical, and cognitive sciences and their applications to patient care.

Do not agree  Somewhat agree  Agree  Strongly agree

PROFESSIONALISM
3) The program prepared me well regarding professional responsibilities, adherence to ethical principles, and how to be sensitive to a diverse patient population.

Do not agree  Somewhat agree  Agree  Strongly agree

PRACTICE BASED LEARNING AND IMPROVEMENT
4) The program prepares me well for analyzing, investigating, and improving patient care practices.

Do not agree  Somewhat agree  Agree  Strongly agree

INTERPERSONAL AND COMMUNICATION SKILLS
5) The program consistently develops my interpersonal and communication skills with patients, patient’s families, and professional associates.

Do not agree  Somewhat agree  Agree  Strongly agree

SYSTEMS-BASED PRACTICE
6) The program prepares me well to recognize and respond to the larger context and system of health care. I develop an ability to effectively call on system resources to provide care that is of optimal value.

Do not agree  Somewhat agree  Agree  Strongly agree

PATIENT PROBLEMS
7) The program provides me exposure to a broad range of problems representing the spectrum of cardiac and thoracic surgery.

Do not agree  Somewhat agree  Agree  Strongly agree
**PROGRESSIVE RESPONSIBILITY**

8) I am given progressive responsibility for patient care under close faculty supervision.
