Laura is the lead speech therapist for
the geriatric service at VUMC, with an
expertise in swallowing and communication
disorders.

Sally is the Director of VUSN’s Skills
and Simulation Lab. She is a Geriatric
Faculty Scholar from the UC San
Francisco/Northern California Geriatric
Education Center and a member of the
geriatric strategic planning committee at VUSN.

Bobby is a Physical Therapist and Clinical
Coordinator in Acute Care Rehabilitation
Services at VUMC. He has been the Geriatric
Service’s main Physical Therapist for 11 years.

Debbie, VUMC’s geriatric team’s
pharmacist, received her degree in
pharmacy from the University of Georgia,
and has a graduate degree in geriatric medicine.

Dr. Beuscher, a VUSN faculty member,
is currently working on a joint research
project with VUMC’s Center of Quality
Aging, focusing on quality of life for nursing
home residents; their choices, values,
preferences, and dignity.
