Vanderbilt University Medical Center
PGY2 Cardiology Pharmacy Residency
Program Director: Daniel Johnson, PharmD, BCPS (AQ Cardiology)

The purpose of our PGY2 residency in cardiology pharmacy is to transition PGY1 residency graduates from generalist practice to specialized practice that meets the needs of acute care cardiovascular patients.

Clinical Experiences

Required Rotations
CVICU - Cardiology
CVICU - Cardiac Surgery
Heart Failure
Cardiology Stepdown
Mechanical Cardiac Support
Cardiac Transplant

Elective Rotations
Arrhythmia
Informatics
Medical Intensive Care
Trauma

*All are 4-week rotations. All core rotations are available to be repeated as elective rotations.
Any PGY1 rotation is available as an elective.

Projects, Presentations, and Training

Projects
- Major research project
- Major process improvement project (usually involving MUE through protocol update)
- Manuscript for publication submission

Presentations
- 1 hour ACPE-accredited CE
- Pharmacy case conference & journal club
- Co-coordinate Cardiology Elective with University of Tennessee College of Pharmacy
- Pharmacy school course lectures
- Cardiology PRN Journal Club

Training
- ACLS Certification

- CV core curriculum

Staffing and On-Call

- Hospital pharmacy practice is scheduled every 4th weekend (clinical and critical care satellite roles).
- Staffing or clinical coverage will be required 1 major (2-day combination) and 1 minor holiday.
- On-call responsibilities are primarily limited to serving as back-up for the PGY1 on-call resident on a rotating schedule (no more than every 4 weeks).
- Pharmacy Code Response

Selected Vanderbilt Benefits

- 29 Flex PTO days accrued throughout the year (1.8 days per month plus 7 holiday days)
- Relocation expenses directly related to the move (up to $1,500)
- Medical, dental, and vision insurance options
- Tennessee board of pharmacy license fee and professional tax coverage
- Professional liability insurance coverage
