Contemporary Clinical Neurophysiology Symposium

June 11 – 12, 2011
Saturday and Sunday
8:00 a.m. – 5:00 p.m.
Student Life Center
BOARD OF TRUST ROOM
NASHVILLE, TENNESSEE
http://neurophysiology.vumcevents.com

SCHEDULE

June 11
7:30 a.m. Registration and Breakfast
8:00 Welcome
Bassel W. Abou-Khalil, MD
8:05 Montages, Polarity, Localization
Bassel W. Abou-Khalil, MD
8:30 Artifacts and Normal Variants
Bassel W. Abou-Khalil, MD
9:00 The EEG in Epilepsy
Bassel W. Abou-Khalil, MD
9:30 The Normal and Abnormal Neonatal EEG
Kohilavani Velayudam, MD
10:00 Questions and Answers
10:15 Break
10:30 Quantitative EEG and Trending
Martin J. Gallagher, MD, PhD
11:00 EEG Case Presentations
Bassel W. Abou-Khalil, MD and Amir M. Arain, MD, MPH
11:30 Questions and Answers
12:15 p.m. Lunch
1:00 SSEP and Intraoperative Monitoring
Nabil J. Azar, MD
1:30 Abnormal EMG Patterns in Disease
Christopher D. Lee, MD, MPH
2:00 Questions and Answers
2:15 Break
3:00 Fundamentals of NCS, NMJ Testing
Peter Donofrio, MD
3:30 Abnormal NCS Patterns
Peter Donofrio, MD
4:00 Neuromuscular Junction Disorders
Peter Donofrio, MD
4:30 NCV-EMG Case Presentations
Peter Donofrio, MD and Christopher Lee, MD, MPH
5:00 Questions and Answers

June 12
8:30 a.m. EEG Nonepileptiform Abnormalities and the EEG in Coma
Bassel W. Abou-Khalil, MD
9:00 The EEG in Status Epilepticus
Bassel W. Abou-Khalil, MD
9:30 Quantitative EEG and Trending
Martin J. Gallagher, MD, PhD
10:00 EEG Case Presentations
Bassel W. Abou-Khalil, MD and Amir M. Arain, MD, MPH
10:30 Questions and Answers
10:45 Break
11:00 The EEG in pediatric syndromes
Julianne Padollicci, MD, MA
11:30 Pediatric EMG
Bryan Burnette, MD
Noon EMG for Botulinum Toxin Injections
David Charles, MD
12:30 Questions and Answers

SECOND BIENNIAL CONTENMODERN CLINICAL COSTOMATIC NEUROPHYSIOLOGY SYMPOSIUM
VANDERBILT UNIVERSITY SCHOOL OF MEDICINE
1161 21ST AVENUE SOUTH
SUITE A1131 MEDICAL CENTER NORTH
NASHVILLE, TN 37232-2551

Course Co-Directors
Bassel W. Abou-Khalil, MD
Professor of Neurology
Director, Epilepsy Division
Vanderbilt University

Amir M. Arain, MD
Associate Professor of Neurology
Director, EEG Laboratory
Vanderbilt University

Peter Donofrio, MD
Professor of Neurology
Director, EMG Laboratory
and Neuromuscular Division
Vanderbilt University

Vanderbilt Faculty
Nabil J. Azar, MD
Associate Professor of Neurology
Divisor, Clinical Neurophysiology Training Program, Epilepsy Division

Kanika Bagai, MD, MS
Assistant Professor; Division of Sleep Disorders

Bryan Burnette, MD
Assistant Director; Child Neurology Division

David Charles, MD
Assistant Professor and Vice-Chairman,
Chief Medical Officer, Neuroscience Institute;
Movement Disorders Division

Christopher D. Lee, MD, MPH
Assistant Professor; Neuromuscular Division

Martin J. Gallagher, MD, PhD
Associate Professor, Epilepsy Division

Amir M. Arain, MD
Associate Professor
Neural and Epilepsy Division

Julianne Padollicci, MD, MA
Associate Professor, Child Neurology Division

Amanda C. Peliter, MD, MS
Assistant Professor
Neuromuscular Division

Kohlilavani Velayudam, MD
Assistant Professor; Child Neurology Division
TARGET AUDIENCE
For recent clinical Neurophysiology fellowship graduates, general Neurologists and EEG technologists from throughout the Southeastern United States; we hope that the course will be a stimulus to sit for and pass the American Board of Neurology and Psychiatry Certification Exam in Clinical Neurophysiology.

LEARNING OBJECTIVES
After participating in this CME activity, participants should be able to describe and discuss:
• Normal and abnormal findings in EEG, Evoked potentials, and EMG studies
• Pitfalls associated with EEG, EP, and EMG studies

REGISTRATION FEE
Your registration fee includes attendance at all sessions, the course syllabus, CME credit, continental breakfast, refreshment breaks, and lunch. Please see the registration form for fees.

CME CREDIT DESIGNATION
Vanderbilt School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt School of Medicine designates this live activity for a maximum of 11.5 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

LOCATION
This program will be held at the Student Life Center, Board of Trust meeting room on the Vanderbilt University Campus. Additional information, including parking instructions, will be provided in your confirmation materials.

CANCELLATION POLICY
If you must cancel your registration for this course, Vanderbilt Department of Neurology will refund your registration fee, less $75, provided you notify us by June 5, 2012. No refunds will be made after that date. Exceptions will be made for justifiable emergencies. Registration may be transferred to another person or to another course date. In the event of cancellation or rescheduling of this CME activity due to unforeseen circumstances, Vanderbilt University will refund registration fees in full. Vanderbilt University is not responsible for non-transferable, non-refundable airline tickets or hotel accommodations purchased in connection with attendance at this CME activity.

FACULTY DISCLOSURE
It is the policy of Vanderbilt School of Medicine to require disclosure of financial relationships from individuals in a position to control the content of a CME activity, to identify and resolve conflicts of interest related to those relationships, and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.

AMERICANS WITH DISABILITIES ACT
It is the policy of Vanderbilt School of Medicine not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in this act in order to fully participate in this continuing education activity, please contact Dee Dee Hollis at (615) 936-0070 or attach a note to your registration form.

ABOUT VISITING NASHVILLE
June is a great time to visit the mid-south and Nashville has a lot to offer tourists of varied interest. Here is a list of places you may want to see while visiting.

Musical Attractions – The Grand Ole Opry, Schermerhorn Symphony Center, Tootsie’s Orchid Lounge, Wildhorse Saloon
Restaurants – Jimmy Kelly’s, The Acorn, The Palm, 1808 Grille and Tayt
For more information on Nashville, please visit www.VisitMusicCity.com
