

**VANDERBILT CENTER
FOR KIDNEY DISEASE**
www.vckd.org

Experimental Techniques in Mouse Kidney Injury

Application

Name _____

Institution _____

Department _____

Title _____

Address _____

Phone and FAX _____

Email _____

Fees: \$950 (\$1,900 for industry)

Materials, continental breakfasts, beverages, snacks, lunches and one evening meal are included in registration.

Application Deadline: May 6, 2019

Accommodations and Travel: Participants are responsible for their own travel & housing arrangements. See below.

To apply, complete this application and submit with your CV and information on career goals, experience and objectives in taking the course. Send completed details by FAX or email to:

Linda Forrest, Senior Program Manager

FAX 615-343-2675

E-Mail linda.forrest@vumc.org

or call 615-322-2150 if you have questions.

Once an offer has been extended and accepted, the Workshop Coordinator will communicate details of payment of fees. Immediate payment is required to reserve your place in the workshop.

The course has been designed for renal fellows, post-docs, students, technicians and PIs who want to set up models of acute and chronic renal injury in mice. No prior mouse experience is necessary.

**Vanderbilt University Medical Center
Division of Nephrology and Hypertension
1161 21st Avenue South, MCN S-3223
Nashville, TN 37232**

Each attendee is expected to make their own reservations in advance, so we suggest reserving your room as soon as possible after an offer has been extended and accepted.

Accommodations are available through the Scarritt Bennett Center and through Vanderbilt area hotels. A list can be accessed at:
